**Conditions:**

- 1. I (we) certify these specimens were legally obtained. Any necessary permits were obtained, followed, and could be provided upon request. This includes local, regional, national, and international permits, as may apply. All laws of the locality and region of collection were followed in the collection of the specimen in question.*
- 2. I (we) certify these specimens arrived via legal means. Some specimens may be legal to obtain and collect in some areas but may be illegal to bring across state lines or international boundaries. If a specimen falls into that category, any transport permits were obtained and could be presented, upon request.*
- 3. I (we) certify that I (we) have the authority to give these specimens to Michigan State University, to be held in the care of the Michigan State University Herbarium (MSC). I (we) relinquish rights and titles to the specimens/objects given herein and I (we) understand, and fully agree, that upon acceptance by the University, these specimens / objects will become the absolute and unconditional property of the Herbarium for its unrestricted use and disposition. If there are restrictions placed on the use of the specimens/objects by the original permits, please acknowledge them here.*
